

# HELP TO SUPPORT OUR LOCAL FFA CHAPTER

# HOME GROWN

**RED BRAND**

Ag dealers throughout the country who stock Red Brand fence are helping to financially support their local FFA chapter. The initiative is called Home Grown. From January 1 through December 31, \$1.00 for every roll of Red Brand field fence, sheep and goat fence, barbed wire, and horse fence a participating dealer orders is donated directly to our FFA Chapter.

Current Red Brand dealers can become a part of Home Grown by contacting Red Brand at [redbrand.com/homegrown](http://redbrand.com/homegrown). Gold level Home Grown dealers are offering substantial rebates. If a dealer does not currently stock Red Brand fence, they can contact Red Brand at 800-447-6444.
